LAUBACH RED ANGUS

BIG TIMBER, MONTANA

Marvin & Ashley Laubach
Cell - (406) 930-0911 • Home - (406) 932-4403
307 Howie Rd. • Big Timber, Montana 59011
laubachredangus@gmail.com

Welcome to our 19th Annual Bull and Female Sale!

We invite you to join us on March 20th for lunch, a visit, and the opportunity to walk through the bulls and females we're offering this year. During this time, someone will be available to assist with placing online bids if needed.

Online bidding opens at 12:00 p.m. on March 18th at www.DVAuction.com and will remain open until 2:00 p.m. on Sale Day, March 20th. All lots will close simultaneously. Any bids placed within the final five minutes will extend bidding by five additional minutes, continuing until no bids are placed within a five-minute period. If any animals remain unsold when the auction concludes, they will be offered privately at a price equal to the overall average of the animals sold during the sale.

We're proud to offer a strong group of big-growth bulls along with a selection of calving-ease bulls, so no matter what you're looking for, we'll have something to fit your needs. All bulls will be fertility tested and ready to go home on Sale Day. We've weaned and developed them here at the ranch, ensuring they're prepared to go straight to work for you. As always, delivery is free within Montana and neighboring states, with deliveries planned to begin the last week of March unless other arrangements are needed.

Our heifer calves are a true gate cut from our replacements, and we believe there are some exceptional ones in this group—strong numbers, great phenotype, and the kind of quality that you expect from one of the fastest-growing breeds in the country. Red Angus females remain in high demand, and last year's calves topped sales across the U.S. We're hopeful for similar success again this year. Heifers should be picked up as soon as possible unless prior arrangements have been made. Please don't hesitate to give us a call with any questions.

Some of the AI Sires for this offering include: Bieber CL Energize F121 (3958815), BB Propulsion 9096 (4169122), and Bieber Jumpstart J137 (4463653), along with additional sires purchased from reputable breeders across Montana and surrounding states. All of these can be found beginning on page 4.

Like many of you, our kids keep us busy—and it's hard to believe how quickly they're growing. Aubree is now 13 and in 7th grade. She keeps an active schedule with 4-H, Livestock Judging, and Jr. Red Angus, and even added volleyball to her schedule this year. At the NILE, she earned the MTRAA Breeding Grand Champion Buckle with the cow-calf pair she exhibited at the SGC Fair. She was also nominated once again to serve as a MTJRAA Ambassador, and we hope to get her to more bull sales this year. Holden is 10 and in 4th grade. He participates in 4-H and Jr. Red Angus, and recently added Livestock Judging as well. We're incredibly proud of their dedication and hard work.

Thank you for your interest in our program. We are reminded every day how fortunate we are to be involved in agriculture and the cattle business, and we wouldn't want to raise our kids any other way!

On Sale Day, look for the BIG RED BARN--or feel free to stop by anytime for a visit.

The Laubach Family

—Directions to the Ranch—

Follow East 1st Ave (US-191) North in Big Timber for 1.2 mi., turn Right on Howie Road (MT-478).
Follow Howie Road for 3.07 miles. Look for the Laubach Ranch sign on the Left.

GENERAL INFORMATION

SELLING... 35 BULLS & 29 OPEN YEARLING HEIFERS

Friday, March 20, 2026 - 1:00 P.M. (Lunch @ 12)

View Videos and Bid Online - DVAuction.com
or call us on sale day phones!

Sale Day Phones:

- Marvin Laubach - 406.930.0911

Accommodations:

- Super 8 Motel - 406.932.8888
- Lazy J Motel - 406.932.5533
- The Grand - 406.932.4459

Terms:

- Terms of sale are cash unless satisfactory credit arrangements have been made with Sale Management prior to sale.

Liability:

- Everyone attending this sale, do so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages, accidents or property loss that may occur.

Sale Day Announcements:

- Announcements from the auction block shall take precedence over the sale catalog and/or any additional printed information regarding animal(s) sold.

Females:

- All females are guaranteed sound and fertile by a licensed vet. Buyers are responsible for picking up females unless other arrangements have been made. If no contact has been made with seller within 48 hours after the sale, feed cost will be charged.

Bull Guarantee:

- Before delivery, the bulls will be fertility and soundness tested by a licensed vet and will be guaranteed through the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull. Please notify us as soon as possible if injury should occur. This is not an insurance policy nor does it cover neglect or mismanagement.

Delivery:

- Bulls will be delivered free of charge in Montana and surrounding states. All other deliveries at cost.

Registration Transfers:

- A certificate of registry and transfer will be furnished for each animal sold as a registered animal, after settlement has been made.
- We will be retaining a 1/3 semen interest on some bulls, buyer has full possession and salvage value.

Red Angus Guide to EPDS and Indexes

ProS – Profitability and Sustainability is an all-purpose index that predicts average economic differences in all segments in the beef supply chain. This index is a combination of the breeding objectives modeled in the HerdBuilder and GridMaster selection indexes. In this index, replacement heifers are retained from within the herd and all remaining progeny are fed out to slaughter and sold on a quality-based grid. Traits included in this index include CED, ADG, HPG, STAY, MW, DMI, CW, MARB, REA and Fat.

Index | Dollars per Head | Higher Value

HB – HerdBuilder is a maternal selection index that predicts the economic differences of animals for traits that are important from conception through weaning.

HB is calculated based on the scenario that bulls are mated to heifers and cows, replacement heifers are retained and all remaining progeny are marketed at weaning.

This index is a combination of CED, CEM, WW, Milk, MW, HPG and STAY.

Index | Dollars per Head | Higher Value

GM – GridMaster is a selection index that predicts the average economic difference of non-replacement calves through the post-weaning phase of production. GM places selection pressure on growth, feed yard performance and carcass traits.

GM is calculated based on the scenario that progeny are fed out to slaughter and marketed on a quality-based carcass grid. This index is a combination of ADG, CW, DMI, MARB, Fat and REA.

Index | Dollars per Head | Higher Value

CED – Calving Ease Direct predicts differences in the percent of calves born unassisted out of 2-year-old dams.

Percent | Higher Value

BW – Birth Weight predicts differences in actual birth weight of progeny. **Pounds** | Lower Value

WW – Weaning Weight predicts differences in 205-day weaning weight. **Pounds** | Higher Value

YW – Yearling Weight predicts differences in 365-day yearling weight. **Pounds** | Higher Value

ADG – Average Daily Gain predicts differences in weight gain between 205 and 365 days of age. **Pounds** | Higher Value

DMI – Dry Matter Intake predicts differences in daily feed intake as measured in a feedlot during the post-weaning period.

Pounds | Lower Value

MILK – Milk predicts differences in weaning weight attributed to the milking ability of the animal's daughters. **Pounds** | Higher Value

ME – Maintenance Energy predicts the difference in maintenance energy requirements. **Mcals per Month** | Lower Value

HPG – Heifer Pregnancy predicts differences in the percent of daughters who are able to conceive and calve at 2 years of age following exposure to breeding. **Percent** | Higher Value

CEM – Calving Ease Maternal predicts differences in the percent of daughters who are able to calve unassisted as 2-year-old heifers.

Percent | Higher Value

STAY – Stayability predicts differences in the ability of an animal's retained daughters to remain productive in the herd – calve every year – through 6 years of age. **Percent** | Higher Value

MARB – Marbling predicts differences in marbling score – amount of intramuscular fat measured at the 13th rib.

Marbling Score Units | Higher Value

YG – Yield Grade predicts differences in USDA Yield Grade, which is calculated using CW, REA and Fat. **Yield Grade Units** | Lower Value

CW – Carcass Weight predicts differences in actual hot carcass weight. **Pounds** | Higher Value

REA – Ribeye Area predicts differences in square inches of ribeye area measured at the 13th rib. **Square Inches** | Higher Value

FAT – Fat predicts differences in the depth of backfat measured between the 12th and 13th ribs. **Inches** | Lower Value

BULLS

We are eager to offer you a group of bulls that have been carefully hand-selected, each chosen for docility, structure, soundness, and growth.

We develop and fertility-test all of our bulls here on the ranch to ensure quality, giving you confidence they'll be ready to go straight to work. They are fed for moderate gains to keep them sound and fertile, and every bull will be fertility and soundness tested and ready to head home on Sale Day.

This Yellowstone son is long sided with a heavy body.

He ties in from his shoulder to his neck. He is a deep made bull who carries width and dimension down his top.

This bull is long bodied, level topped, and structurally correct.

HEIFERS

We always have a tough time choosing which heifers to keep home and which to offer for sale. These girls are just a gate cut, and any that don't sell will go right back into our own herd. All heifers are Bangs vaccinated, current on all vaccinations, and guaranteed open. 100% of the females' sale price will be due, and buyers are responsible for taking them home sale day, unless other arrangements have been made.

Broadcasting Real-Time Auctions

—TERMS AND CONDITIONS—

1. TERMS

Terms of sale are cash unless satisfactory credit arrangements have been made with Sale Management prior to sale.

2. BIDDING

The Auctioneer in charge will settle any disputes as to bids, and his decision on such matters shall be final.

3. ANNOUNCEMENTS

Announcements from the auction block shall take precedence over the sale catalog and/or any additional printed information regarding animal(s) sold.

4. HEALTH

All animals are eligible for interstate shipment, except as otherwise announced. Interstate health papers will be furnished for each animal in accordance with prevailing State/Federal Regulations.

5. PURCHASER'S RISK

Each animal becomes the risk of the Buyer as soon as sold, but it shall be the obligation of the Seller to see that animals are fed and cared for free of charge to Buyer, until loaded for shipment or until the expiration of 48 hours after the sale, whichever occurs sooner.

6. CERTIFICATE OF REGISTRY

A transferred certificate of registry will be furnished to the Buyer for each animal, after settlement has been made.

7. BULL GUARANTEE

Before delivery, they will be fertility and soundness tested by a licensed vet and will be guaranteed through the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bull. Please notify us as soon as possible if injury should occur. This is not an insurance policy nor does it cover neglect or mismanagement. We will be retaining a 1/3 semen interest on some bulls, buyer has full possession and salvage value.

8. LIABILITY

Everyone attending this sale, do so at their own risk. owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages, accidents or property loss that may occur.

9. DELIVERY

All purchases are the buyer's responsibility as soon as they are sold. All reasonable care will be provided for the bull's care before delivery. There will be an insurance agent available if you wish to insure your purchase. Bulls will be delivered free of charge in Montana and surrounding states. All other deliveries at cost.

10. BREEDING GUARANTEE

All cattle are guaranteed to be breeders. We reserve the right to test any animal for 90 days after it is returned to us before making adjustments.

-The seller will settle any disputes on bids and his decision will be final.

-The above terms and conditions shall constitute a contract between the buyer and seller of each animal sold.

* 100% of females' bid price will be due on sale day and delivery arrangements may be made, 100% of the bulls' bid price will be due on sale day. The balance will be due when they are guaranteed fertile and sound, and delivered in April. If the bulls do not prove out, the down payment may be refunded, replace with a bull of equal value, or credit towards another bull. Feed costs will be sellers' responsibility until delivery. These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

RED ANGUS MARKETING PROGRAMS

How to Enroll in Angus Access & Allied Access

1. Contact the Red Angus value-added department at **940-477-4593** and complete a short supplier enrollment questionnaire over the phone. RAAA staff will ask general management, animal identification and breeding questions. If needed, the producer may be asked to supply additional documentation on breeding such as semen receipt, lease agreements or information on purchased females.
2. After all documentation is recorded, staff will ship the tags directly to the producer who must tag the calves before they leave the ranch of origin – birth, branding, preconditioning, weaning or before loading on the semi.
3. The producer will receive a customer enrollment agreement to fill out and return to RAAA with a copy of their calving records.
4. Staff will issue the USDA-approved Certificate of Compliance upon receiving the customer enrollment agreement and calving record.

EID Tags are required for program identification. Outside-purchased EIDs can be brought in for \$1 per tag.

- Traceability to at least 50% registered Angus bloodlines
- Source verified to ranch of origin
- Group age verified

processverified.usda.gov

**GENETICS
AGE
SOURCE**

- Source verified to ranch of origin
- Group age verified
